OLD GEORGIANS' DEFEAT PUTS SURBITON BACK ON TOP

Wimbledon and Surbiton played musical chairs with the lead at the top of the Men's Hockey League Premier Division over the weekend.

Wimbledon went top temporarily on Saturday night thanks to their 4-2 win at East Grinstead. Ian Sloan gave Wimbledon the lead in the 12th minute and Peter Scott doubled it five minutes later, both goals coming from open play. Ben Mackey immediately responded with an 18th minute penalty corner conversion and Jamie Wallace equalised in the 24th minute from open play to give Wimbledon plenty to think about.

Ed Horler was Wimbledon's second half hero converting penalty corners in the 49th and 68th minutes to give them a three point lead over Surbiton.

Surbiton just needed to win to return to the top and they did so in style with a 5-1 victory at Beeston. Surbiton led 2-0 at the break, Ben Boon opening the scoring in the 12th minute and Jamie Golden scoring six minutes later, both goals coming from open play. David Goodfield added a third open play goal in the 44th minute before Golden snatched his second goal of the game from a penalty corner in the 49th minute.

Rob Farrington scored Surbiton's fifth goal in the 56th minute, Sam Apoola scoring what turned out to be a consolation goal for the Nottingham club ten minutes from time.

Old Georgians stayed within three points of the top two and taught Hampstead & Westminster a five-star lesson with a 5-0 win at Paddington Recreation Ground. James Tindall broke the deadlock in the 12th minute and Tom Carson converted a 21st minute penalty corner to leave Hampstead trailing 2-0 at half time.

Ed Carson made it three in the 46th minute from open play, with Ashley Jackson scoring from the penalty spot two minutes later to stun the hosts. Tom Carson ended the agony in the 59th minute, this time from open play to leave Hampstead ten points off the pace.

Holcombe had moved up to fifth on Saturday with a 7-2 win at the University of Exeter. Holcombe led 3-1 after just twelve minutes, Nick Bandurak quickly picking up a brace from open play in the second minute and the penalty spot in the fourth. Rhys Bradshaw pulled a goal back for Exeter from open play in the 7th minute, only for Barry Middleton to respond in the same manner in the 12th.

Max Lowrey reduced Exeter's deficit to 3-2 with an 23rd minute open play goal, but Holcombe led 5-2 at the interval, Robert Field converting a penalty corner on the half hour and Hayden Phillips scoring from open play a minute before half time. Holcombe then struck twice in the last three minutes, Phillips netting in the 67th and Harry Trusler in the 69th, two open play goals making the final score 7-2.

Oxted are protecting sixth place after an eight goal home thriller with Brooklands Manchester University. Brooklands lead 2-0 after just five minutes, Andrew Jackson scoring from a penalty corner in the third minute and open play two minutes later. Oxted fought back to draw level by half time, Mark Galloway scoring in the 17th minute and Peter Friend equalising in the 34th, before going ahead immediately after the half time break through Nick Giles' open play effort. Leo Watton restored parity with a 43rd minute penalty corner before Sam Driver seemed to have clinched all three points for Oxted in the 53rd minute through open play. However Brooklands' penalty corner routine worked wonders in the final minute with Peter Flanagan rescuing a point.

WIMBLEDON & SURBITON BOTH IN ACTION ON SAT. NIGHT

The top two teams in the Men's Hockey League Premier Division, Surbiton and Wimbledon both play on Saturday night. On what was originally supposed to be their bye week, Surbiton host Hampstead & Westminster in the match postponed due to both teams' participation in the Euro Hockey League in October. Wimbledon are also at home to Brooklands Manchester University, trailing Surbiton with a 12 inferior goal difference and having played a game more.

Old Georgians, who rebounded back from their first defeat of the season at Wimbledon to rout Hampstead 5-0 on their own pitch last week, are at home on Sunday to Oxted who were involved in a thrilling 4-4 home draw with

Brooklands. Hampstead, currently fourth, follow up their local derby with Surbiton on Saturday with a home match on Sunday against the University of Durham, who return after their bye week.

Holcombe, aiming to cement their place in the top six, are at home to Beeston, who are having a disappointing season having lost 3-2 at the University of Durham and 5-1 at home to Surbiton in their last two matches.

And East Grinstead and the University of Exeter, the bottom two teams in the division, meet in Devon, knowing that both teams can't now qualify for the top six, but the result could have a big bearing on whether either or both teams face a relegation battle during the second half of the season.

THE HOCKEY WORLD NEWS MEDIA GUIDE IS BACK!

Welcome to this week's edition of the Hockey World News Media Guide covering the Men's Hockey League for the 2021-22 season. The Hockey World News website can be found at <https://hockeyworldnws.com/>

Early/ Late goal information is back together with a complete list of scorers by method, both in overall descending order and on the Matchday Notes pages.

England Hockey have introduced a website where certain data regarding fixtures can be found whilst the problems with GMS continue. <https://matches.englishhockey.co.uk/>

As stated, the website is updated at regular intervals and the data is not live.

For the latest player movement information, go to <https://www.thehockeypaper.co.uk/articles/2021/06/29/england-hockey-premier-division-transfers-2021-22-latest-ins-and-outs>

The Matchday Notes generally list a maximum of the last five meetings between the teams home and away.

We now have squad details of some sort for all eleven Premier Division teams.

As usual, please bear in mind that this media guide is a one person compilation, so if you find any errors, please let me know, but remember that there is very little scope for double checking content compared with a dedicated media team and current circumstances are making data compilation more difficult than in previous seasons.

The design of the media guide is something which will also be looked at during the season, but the current priority is to try and share as much information as possible.
